Career Profile

Junior Backend Developer with 1.5 years of experience building and maintaining C# and .NET services, REST APIs, and SQL Server databases. Delivered features used by 20,000+ customers and improved service reliability through automated testing and CI/CD pipelines. Looking for a Backend Engineer role focused on scalable cloud applications.

Technical Proficiencies

Programming Languages: C#, C++, SQL, Python, JavaScript

Backend and Frameworks: .NET Core, ASP.NET Web API, Entity Framework, Node.js

Databases: SQL Server, PostgreSQL, MongoDB, Redis

Cloud and DevOps: Azure, Docker, Kubernetes, Azure DevOps, GitHub Actions, CI/CD, Linux

Testing and Practices: xUnit, Unit Testing, Integration Testing, Microservices, Agile, Scrum, Code Review

Work History

Software Engineer, Brightline Systems Pvt. Ltd., Pune | July 2025 - Present

- Built 12 REST API endpoints in ASP.NET Core serving 20,000+ customers, with an average response time of 180 ms.
- Reduced SQL Server report query time by 55% by adding indexes and rewriting 8 slow stored procedures.
- Containerized 4 services with Docker and deployed them to Azure Kubernetes Service, cutting deployment time from 40 to 12 minutes.
- Wrote 150+ xUnit tests, raising code coverage from 52% to 84%.

Software Engineering Intern, Brightline Systems Pvt. Ltd., Pune | January 2025 - June 2025

- Fixed 35+ production bugs and shipped 6 small features in 2-week Scrum sprints.
- Automated the build pipeline with GitHub Actions, reducing manual release steps from 9 to 3.

Key Projects

Online Course Marketplace API | C#, .NET Core, PostgreSQL, Redis, Docker

- Designed a microservices backend with 3 services (users, courses, payments) and JWT authentication.
- Added Redis caching that lowered average API latency by 38% under a 500-request load test.
- Source: https://github.com/priyanair-dev/course-marketplace

Log Analyzer CLI | Python, SQLite

- Built a command-line tool that parses 1 million+ log lines and reports the top 10 error patterns.
- Cut processing time from 90 seconds to 22 seconds using batch reads and indexed queries.
- Source: https://github.com/priyanair-dev/log-analyzer

Academic Background

Bachelor of Engineering in Information Technology, Savitribai Phule Pune University | Graduated: June 2025 | CGPA: 8.7/10

Certifications

- Microsoft Certified: Azure Fundamentals (AZ-900), 2025
- Microsoft Certified: Azure Developer Associate (AZ-204), 2026
